

A. E. Schlueter Pipe Organ Co.

January 2021 - December 2022

Thanks for Your Support!

During the course of our work we have been rewarded with many rich memories and valued friendships. We are humbled by the many churches over nearly fifty years that have provided our success in the commissioning of new instruments, rebuilding of existing instruments, additions, new consoles, voicing, maintenance, and tuning. The format of a calendar does not begin to allow the space to feature all of this body of work or to express a proper thank you. To the hundreds of people who have worked with us since our founding in 1973, we wish to convey our sincerest gratitude for the trust you have placed in us. We wish to thank each and every one of you for your love of the “King of Instruments” and music, without which there would be no pipe organ industry. You help to define us and everything we do. With each pipe organ design, we grow and learn from you. From our firm to you, please accept a most heart-felt “thank you” for your support of church music and A. E. Schluter Pipe Organ Company.

Some of the projects we have worked on since our last calendar include:

- Asbury United Methodist Church, Greeneville, Tennessee: new II-manual, 25-rank pipe organ (pictured at right).
- St. Paul Episcopal Church, Savannah, Georgia: installation of a Brass Trompette En Chamade.
- St. Paul United Methodist Church, Orangeburg, South Carolina: complete rebuilding of III-manual, 37-rank Moller pipe organ with additions.
- Edison Baptist Church, Edison, Georgia: restoration of II-manual, 9-rank pipe organ that was severely water damaged by a hurricane.
- Monumental United Methodist Church, Portsmouth, Virginia: restoration and new facade for a III-manual, 25-rank Casavant.
- Fox Theater, Atlanta, Georgia: building and installation of a replica IV-manual horseshoe console for temporary installation while the original IV-manual “Mighty Mo” console is being restored.
