

A. E. Schlueter Pipe Organ Co. - 50 Years

January 2025 - December 2026

Over 50 Years – Thanks for Your Support!

During our 50-plus years of organ work we have been rewarded with many rich memories and valued friendships. We are humbled by the many churches over nearly fifty years that have provided our success in the commissioning of new instruments, rebuilding of existing instruments, additions, new consoles, voicing, maintenance, and tuning. The format of a calendar does not begin to allow the space to feature all of this body of work or to express a proper thank you. To the hundreds of people who have worked with us since our founding in 1973, we wish to convey our sincerest gratitude for the trust you have placed in us. We wish to thank each and every one of you for your love of the “King of Instruments” and music, without which there would be no pipe organ industry. You help to define us and everything we do. With each pipe organ design, we grow and learn from you. From our firm to you, please accept a most heart-felt “thank you” for your support of church music and the A. E. Schlueter Pipe Organ Company.

You may reference the index below to find specific examples of our work as presented in this calendar.
